**Notice of Energy Commission
Committee-Ordered
Workshop for the
Calico Solar Project (08-AFC-13)**

DOCKET**08-AFC-13**

DATE _____

RECD. OCT 23 2010

Pursuant to direction provided by the presiding Committee for the Calico Solar Project, the California Energy Commission (Energy Commission) staff will conduct a workshop starting at 3:00 PM on October 25, 2010. During the October 22, 2010 Committee Conference for the Calico Solar Project, the presiding Committee waived the normal notice period for this workshop. The purpose of the workshop is to respond to the revisions to **Soil and Water Resources** and **Facility Design** (CIVIL-1) conditions of certification proposed by the intervenor Burlington Northern Santa Fe (BNSF) Railroad. All interested agencies and members of the public are invited to participate. The workshop will be held using WebEx as follows:

***Monday, October 25, 2010
3:00 P.M.***

To Participate in the Workshop:**Instructions to Connect via Telephone Only (No Computer Access)**

1. Call: 1-866-469-3239
2. When prompted enter this meeting number: **925 552 403**
3. When it asks for Attendee ID press: #

Instructions to Connect via Computer Logon with a Direct Phone Number

1. Go to <https://energy.webex.com> and enter the unique meeting number: **925 552 403**
2. When prompted, enter your information and the following meeting password:
SITING123!
3. After you login, a prompt will appear on-screen for you to provide your phone number. In the Number box, type your area code and phone number and click OK to receive a call back on your phone for the audio of the meeting. International callers can use the "Country/Region" button to help make their connection.

Purpose of the Workshop

During the October 22, 2010 Committee Conference for the Calico Solar Project, the Committee directed the parties to hold a workshop to respond to the revisions to **Soil and Water Resources** and **Facility Design** (CIVIL-1) conditions of certification proposed by BNSF Railroad. The presiding Committee also waived the normal notice period in order to allow the parties to attempt to resolve any issues prior to the October 26, 2010 continuance of the Committee Conference.

Public Participation

The Energy Commission's Public Adviser's Office provides the public with assistance in participating in Energy Commission activities. If you want information on how to participate in this proceeding, please contact the Public Adviser, Jennifer Jennings, at: (916) 654-4489, toll free at (800) 822-6228, by FAX at (916) 654-4493, or by e-mail at public.adviser@energy.state.ca.us. If you have a disability and require assistance to participate, please contact Lourdes Quiroz at lquiroz@energy.state.ca.us or at (916) 654-5146. For those persons with limited English knowledge, request interpreter services by contacting Christopher Meyer, the Energy Commission Project Manager (contact information provided below).

Questions

General information about the proposed Calico Solar Project and related documents are available on the Energy Commission's website at:

<http://www.energy.ca.gov/sitingcases/calicosolar/index.html>

Please direct all news media inquiries to the Energy Commission's media office at (916) 654-4989 or e-mail at mediaoffice@energy.state.ca.us. For technical questions on the subject matter, please contact Christopher Meyer, the Energy Commission Project Manager, at (916) 653-1639 or by e-mail at: cmeyer@energy.state.ca.us or Jim Stobaugh, the BLM Project Manager, at (775) 861-6478 or by e-mail at: jim_stobaugh@blm.gov. If you are unable to participate in the workshop, written comments may be sent to the Energy Commission Project Manager electronically or to the Energy Commission's street address shown on the letterhead of this notice.
